

Dear Friends of the Central Iowa Barn Dance,

Please join us for our **27th** exciting season of contras and squares with your favorite hometown callers and bands, and guests from around the Midwest.

Today we ask your support for the Central Iowa Barn Dance Association and our effort to promote traditional American dance and music in our community. Putting on dances entails renting a hall, hiring bands and guest callers, and paying for liability insurance. You can help us continue to sponsor these events by becoming a Supporting Member of the Central Iowa Barn Dance Association.

Membership entitles you to

- Admission to all the Barn Dances (save more than 20% off the regular admission price)
- A name badge identifying you as a Supporting Member
- Two free passes to regular dances to give to your friends

Supporting Memberships for the August 2017–June 2018 season are \$55 for adults, \$30 for students (middle school to graduate school).

Please join us and help old-time dancing and music thrive in our community. And please help us promote American country dance by posting the enclosed flyers or giving them away to friends.

Thank you for your support.
